We have been fortunate to welcome staff and students from our German Partner school this week. Unlike last year they have not had their programme interrupted by snow! We are very fortunate at Manshead to have a large number of students taking modern languages. Programmes such as the German exchange really encourages students to excel in languages. Our students will be visiting Germany later in the year and other students will be taking part in a Spanish exchange. We really appreciate the efforts that many parents have gone to in hosting our German students.

Now the snow is gone I need to remind students about uniform standards. There are many students wearing inappropriate boots and trainers at the moment. May I remind parents that proper school shoes should be worn in accordance with the school uniform policy. Thank you for your assistance with this.

FREE SCHOOL MEALS

Do remember that if you are in receipt of certain benefits then your child will be entitled to free school meals. There is a very well-established link between eating well, behaviour and achievement.
