

Statutory Inspection of Anglican Schools

As you know Manshead is a Church of England school and because of this we receive an additional inspection (the SIAS Inspection) that looks at the Christian character of the school. The Inspection took place last week and the report is now published and is attached to this email [or available on home page of school website]. I am pleased with the overall judgements and feel that it describes the nature of school accurately. Most importantly it provides us with the direction for the next stage of our development.

College Cabaret

The highlight of the Autumn Term dramatic arts calendar returns to the Manshead stage on Thursday and Friday (Nov 17th & 18th) with the colleges competing to capture the coveted College Cabaret prize. The productions start at 7.30pm in the School Hall and the theme this year is Pirates! Tickets £3 on sale at the door; all tickets also go into the raffle!

Year 10 Reports

Year 10 reports will be sent out at the end of next week (week beginning Monday Nov 14th). Please do contact your son or daughter's Learning Guide if you have any concerns arising from what has been reported or if there are entries on the report that you don't understand.
