

Safe Computer Use & Behaviour

A reminder of our expectations is attached. Students please do not risk having your access to IT facilities suspended through misuse.

Snow Closures etc

In spite of the current warm, dry weather it is the time of year when we need to remind parents of how we will try to communicate with you in the event of needing to close the school because of adverse weather etc. We will communicate using:

- SchoolComms text message (as long as we have a current mobile phone number for you. If you think that we may not have your current number please get in touch with the School Office or with your son/daughter's Learning Guide)
- Website and portal
- Switchboard message
- Central Bedfordshire SOS system (www.centralbedfordshire.gov.uk/webApps/SOS)
- Radio stations

The radio stations have asked us to request that parents should not phone them to ask for reports – they need to keep their phone lines clear to receive information that they will then broadcast.

Please note that mostly we will not send texts for 'open' decisions, only for 'close' decisions. We will always try to take and communicate 'close' decisions as quickly as we can, but we have to balance this against our desire to remain open if we possibly can.

Use of these methods of communication are dependent on our access to them in the event of bad weather etc, but we have not had any problems in this respect during the last two winters.

PE Mock Interviews - Yr11

Monday November 21st. Students please check your time.

Science Revision

Calling all Year 10 and Year 11 scientists. Please see the attached poster.

Mums' Prayer Meeting

Ladies, Are you keen to see a Christian Ethos promoted in the school? Then we invite you to our mums' prayer group to seek God's blessing and pray for our children, the staff and all school related matters.

Next meeting Friday Nov 25th 8-9pm t Caroline Norman's house
112 Chiltern Road
Dunstable
LU6 1ET

For further details contact: 01582 896259.
