## To all Parents/Carers of Students in Years 12 & 13

5<sup>th</sup> December 2011

Dear Parent/Carer

As you will have seen from the school calendar the Sixth Form parents consultation evening will be held on **Wednesday 11<sup>th</sup> January 2012 from 4.30pm until 7.30pm**. The consultation evening provides parents with a very important opportunity to speak to their child's teachers and learning guide about the progress they are making in this critical year.

Your son/daughter has an appointment sheet to book appointments on your behalf with the staff. Each appointment is five minutes long and five minutes should be left between each appointment to allow you to find the next teacher. There will be a plan available in the reception area to show you where staff are located. Ideally you should try and have an appointment with every member of staff that teaches your child, however, we know that this can be difficult. If this is the case please see as many teachers as you can. We strongly believe that the consultation is most effective when the student, parents and teacher talk together so please encourage your son/daughter to come with you!

We hope that you will be able to attend this important event – we know from years of experience that young people make the best progress when they, their parents and the school work closely together.

Yours sincerely

**Jim Parker**
