

e-bulletin November 25th 2011

Industrial Action

Please see the attached letter from Gill Short, Chair of the Governing Body.

Sixth Form Opening Evening

Calling all Year 11 students and their parents. Our Sixth Form Open Evening for prospective students will be held on Weds 7th December from 7pm in the Sixth Form Centre.

Reports for Yrs 9 & 10

Year 10 reports are in the post to parents and Year 9 reports will be sent out by the end of next week. If the report gives rise to any questions or concerns please do get in touch with your child's Learning Guide.

Work Experience - Yr 10

As students will know we have started to organise placements for year 10 students for next summer's Work Experience programme. Once a placement has been confirmed we have to provide an emergency contact telephone number. The 'first priority contact number' currently held by the school (as advised by parents through the annual Information Confirmation process) will be given unless otherwise advised. Should you wish to provide an alternative number, please call Mrs Hawkins on Ex 277.

Cycling Safety

Please may we remind parents to check that students cycling to and from school have bikes that are safe (good brakes, lights if appropriate etc), and that the cyclists themselves wear appropriate clothing (helmets, hi-viz etc) and observe the Highway Code. However, we do not consider that Dunstable Road is safe for cyclists at all, and so as a school policy we advise against cycling from Caddington.
