

Design a New Logo for Manshead Sixth Form

and win £50

We are going to be re-writing lots of key documents this year. Things like the Sixth Form prospectus. We want to make the documents easier to navigate, particularly when they are being viewed on-line, and we would like to give them a more contemporary look as well.

As part of that initiative we would also like to come up with a new logo, especially for Manshead Sixth Form. Which is where you come in..... Come up with the winning logo design and win £50.

Here are the rules:

1. Open to any current Manshead Sixth Form student, regardless of what subjects they are studying
2. The logo needs to be usable in on-line and printed documents and saved in a format that facilitates this (eg TIFF)
3. You must not use any elements that are someone else's copyright
4. The winning logo will be owned by the school and the school will be free to use it in any publications, including alteration to fit specific media and purposes
5. Closing date for entries is Friday March 30th 2012. Entries should be submitted to Mrs Chivers and should be in electronic form, although you may supply printed copy as well, if you wish

Here is a logo and letterhead that the Leadership Team came up with to get your competitive instincts going:
