

Snow & ice!

We would like to take this opportunity to say thank you to our Site Team for the efforts that they have made this week to keep the site safe for us all. They have been out since 6am or earlier every day clearing snow and gritting the paths and we think that they have done a really fantastic job. Well done!

Half-term activities for Year 11

It is a key time for exams revision for all Year 11 students. A reminder as well that there are sessions at school for 'Wacky Maths' and coursework sessions for Catering, Media and Technology. The students involved know who they are and should have brought letters home about these extra sessions.

Sixth Form logo competition - win £50!

Any sixth formers with time on their hands between revision might like to have a go at the Sixth Form logo competition. Flyer attached. We already have some good entries, but there is still time to enter.

Year 10 Consultation Evening - early notice

Parents of Year 10 students please put Consultation Evening in your diaries. Wednesday March 14th 4.30-7.30pm. We will be sending a letter with full details after half-term.

Attention Year 9 parents - Youth Support Services Consent

Please see the attached copy of a letter that will be coming out to parents shortly after half-term, via Year 9 students. If it doesn't reach home that way you can print off and return the attached copy instead. Thank you.

School Calendar

We have recently checked the School Calendar on the portal and made a few minor amendments to dates and events.
