Year 9 Parent Evenings

We are attaching a copy of a letter that we hope will already have reached the parents of students in Year 9 by ordinary mail. It contains important information about :

- Year 9 Options Evening on Wednesday 1st February at 7pm
- Year 9 Parents Consultation Evening on Wednesday 8th February at 4.30 pm

Students have booking sheets to arrange appointments for you with their teachers and with their Learning Guide for the Consultation Evening. Please note that meetings work much better if it is teacher, parent and student together. We very much hope to see you and your child at both evenings.

Chicken Pox, Measles & Shingles

We currently have a student in school who is particularly vulnerable to chicken pox, measles or shingles. Please contact Ms Melanie Davis (extn 206) if your child comes into contact with any of these diseases. Thank you.

Science Revision Sessions

Please see the attached notice about Science revision sessions for students in Years 10 & 11.

Uniform - Footwear

Please may we remind you of our school uniform policy regarding footwear. "Sensible black shoes. No boots or trainers." For the avoidance of any doubt, Ugg-style boots are not sensible black shoes!

Home Start Parent Support Organisation

Please see the attached notice about volunteering with the Home Start parent support organisation.
